

Nifty Thrifty

Highend Thrift Clothing

Dear Alexandra,

My name is Geneva Denney and I am the owner and operator of Nifty Thrifty (Nif-tee). I am writing you to make you aware of an event we have coming up. On March 28, 2014, from 7-10 p.m., we are hosting a silent auction for the most sought-after items in our store. Some items include mink coats, prestige jewelry, and brand name everything. We have invited the community and would love for you to come as well.

Nifty Thrifty is a nonprofit high-end thrift shop that hires youth who want to learn real-world skills before furthering their education, after high school. The money we make from selling donated items is used to further our youth-employees' education and customer interaction training.

All proceeds from the silent auction will go toward updating computers and hiring more teaching professionals. The money can only help our company and our brand grow as a community name.

Thank you for your time,

Geneva Denney
