## Serve It Up Championship

### Serve It Up Championship

The start of the new annual charity event

- The tournament will take place in Manhattan Beach, California.
- The grand prize is \$250,000.
- Check our website for details on when we branch into indoor volleyball and how you can register for those events.

Pre-approved quotes from celebrity players, founders, and participants (2 quotes per person)

#### 3 Links that matter

1. link to register event
2. link to the charities we have donated to
3. link to information about our organization

#### Boilerplate Statement:

Founded in July 2012, Serve for Cures' mission is to give donations to the organizations that allow medical professionals to do research for possible treatments. Anyone can sign up a team of two for a match in the beach volleyball tournament. It's not winner takes all, but at the end of each match there is a cash reward to their charity regardless of whether they won. With this philosophy, we hope to end suffering from diseases.
